

# FATHER'S GROUP FOR INTERCULTURAL FAMILIES IN HELSINKI

FATHERS NEED TO FEEL WELCOME TO BE  
ABLE TO CONNECT WITH OTHER DADS

In this Father's Group you will discover – perhaps for the first time – that there are other dads who experience and wonder about the same things. The group aims to encourage and support fathers who are newcomers in Finland and Finnish fathers of intercultural families.

The idea of the Father's Group is to link fathers and give them a space to share thoughts and concerns, reflect on being a dad and the vital role they play in their child's development, as well as make new friends. This is not therapy, we simply invite you to meet other dads while enjoying a cup of coffee in an informal, relaxing and confidential environment.

The group's language is English, and the discussion is facilitated by a trained group leader. Both foreign and Finnish fathers of intercultural families are welcome.
