

Homework 6.1. Bilingualism Questionnaire

Here are some statements about bilingualism. Please **read** them through and **mark** whether you agree or disagree with each statement. Then **think** about the reasons behind your opinions and **write** them down.

1. A bilingual child is not able to learn any language properly.

- Agree
- Disagree

2. You can mix languages when talking to your child. The child will automatically learn to separate different languages when they grow up.

- Agree
- Disagree

3. Bilingualism is a rare exception. There are more monolingual people in the world than bi- or multilingual people.

- Agree
- Disagree

4. A bilingual child always has full competence in both languages.

- Agree
- Disagree

5. Bilingualism makes your child more intelligent. They will have better memory and better social and cognitive skills than monolingual children.

- Agree
- Disagree

6. Bilingualism comes naturally. All you have to do is to talk to your child with your own mother tongue.
